

AFFIDAVIT

The Affiant, after being duly sworn does hereby state and say:

1. My name is [REDACTED]. I am the N.C. State Trooper who investigated an accident at [REDACTED] on March 6, 2012 in [REDACTED], N.C. between [REDACTED] and [REDACTED]. I wrote an Accident Report, which is numbered [REDACTED].
2. I responded to the accident at approximately 8 A.M. A male neighbor named [REDACTED] was present at the scene following the accident. According to my standard procedure, I asked everyone at the scene of the accident if there were any eyewitnesses. Nobody came forward stating they had seen the accident.
3. Upon examination of the accident scene, I concluded that [REDACTED] backed out from a parking space into [REDACTED] right of way. I cited Ms. [REDACTED] for Unsafe Movement. Based on the vehicle damage, I estimated in my report that Ms. [REDACTED] was traveling 5 M.P.H. at the time of the accident.
4. I examined the vehicles involved in the accident. Because I could not see any evidence of an obstruction to the windshields of either vehicle involved, I did not mark a code 28 on the Accident Report, which would be for "Visibility Obstructed". If there were any evidence of frost on Ms. [REDACTED] windshield I would have marked code 28 on the Accident Report.
5. I am providing this affidavit voluntarily without consideration or coercion and I am under no duress as I make this statement.

Trooper [REDACTED], State Highway Patrol

I the undersigned party do hereby confirm that [REDACTED] did personally appear before me this the ____ day of _____, 2012 and affirm that he did personally sign the affidavit attached hereto.
