

AFFIDAVIT

The Affiant, after being duly sworn does hereby state and say:

1. My name is [REDACTED]
1. I was driving on US 70 in Asheville, N.C. on Friday October 5, 2012 at around 11:30 P.M. On that night I was driving in the right hand lane traveling about 53 miles per hour, which was below the speed limit, which was 55 M.P.H.
2. A small blue car came up behind me and flew past me in the left hand lane. I do not know exactly how fast the vehicle was traveling, but it went past me very quickly.
3. As it got back into the right hand lane in front of me I saw a small white vehicle pull onto US 70. The small white car traveled for about 4 seconds before being hit very hard from behind by the blue car. I did not see the blue car's brake lights until either at the time of the impact or just before the impact.
4. I am a C.N.A. and am familiar with injuries. I was surprised to learn that the occupants of the small white car were not more seriously injured given the speed with which their vehicle was struck.
